Investment objective

The aim of the Fund is to provide a secure and stable investment return primarily through acquiring social real estate. It is intended that the assets targeted for acquisition by the Fund will offer a consistent income stream with capital growth prospects.

Fund commentary

The Fund was launched on 18 May 2017.

The current portfolio is expected to deliver an income return between 4.5% - 5% p.a plus capital growth.

The Fund has generated a total return for the twelve month period to 31 July 2018 of 7.05% (based on the Class A Gross Accumulation Shares). This includes an income return of 3.87% of which 1.61% was distributed as income in November 2017 and 2.26% distributed as income in May 2018.

The Fund's next income distribution, for the six months to 30 September 2018, will be paid at the end of November 2018.

The Fund's portfolio as at 31 July 2018 currently consists of ten long income properties within the social real estate sector, valued at £20.6 million. During August 2018 an additional property has been acquired for £4.7 million.

All properties have income growth and inflation mitigation through inflation linked upwards only regular rent reviews.
