

TIME is an award winning provider of tax efficient investment solutions with our original Inheritance Tax (IHT) service boasting a 21 year track record of successfully achieving IHT savings for our investors. We currently manage over £200 million of BPR assets - around a third of our funds under management. Over 1,000 of our investors have already successfully achieved BPR, a 100% success rate.

We pride ourselves on offering real transparency around our products, what we invest in and what the risks are. Above all we always keep our clients at the forefront of our mind and their best interests at heart. With a nationwide distribution team of 23, we are dedicated to supporting the adviser community.
