

TIME:Social Long Income | Fund suspension update

Date: 7 July 2020

On 18 March 2020, with the prior agreement of the Depositary, dealing in the Fund was temporarily suspended.

In accordance with FCA rules the ACD and the Depositary must formally review the suspension at least every 28 days and inform the FCA of the results of this review.

The suspension in dealing in the Fund was based on the Fund's independent valuer including a material uncertainty clause into their property valuations, caused by the outbreak of COVID-19.

At the end of June 2020 material uncertainty has been removed by the valuer on supported living assets which represents around 22% of the property portfolio. However, until such time as the valuer confirms that material uncertainty has been removed from the valuation of the remainder of the property assets, the Fund will remain suspended. On 7 July 2020, as material uncertainty continued to prevail, in the opinion of value by the independent valuer, over the majority of the value of the property assets of the Fund, the ACD and Depositary of the Fund agreed to continue the suspension of the Fund and to notify the FCA thereof.

The suspension will be formally reviewed each 28 days (next review by 4 August 2020), or earlier, if circumstances should change.
